

Annex 1
Proposed List of Instruments for the next Multiannual Financial Framework

The following table compares the instruments under the current Multiannual Financial Framework with the next generation of instruments. The indications below do not represent the full scope of an instrument, nor its final name. They rather clarify particular issues, where relevant in the context of the general structure and design of the programme. The list of instruments is subject to further legal analysis in the light of the specific content of the draft proposals.

Instruments 2014-2020	Instruments 2021-2027
